

Engine

The diagram illustrates the architecture of an engine. It features a large, light blue rectangular container with a dashed border. Inside this container, at the top, is the word "Engine". Below it is a solid black rectangular frame. Within this frame, there is a horizontal row of seven elements: the word "source" on the left, followed by six blue rectangular boxes with black borders, each containing a component name: "components", "editor", "graphics", "scenes", "scripts", and "ui" on the right.
